# Lawyers Ethical Obligations Regarding Cybersecurity

High-profile data breaches have become commonplace in the news. But the targets of cybersecurity attacks aren't just big corporations. Law firms, which store large amounts of sensitive data, are also vulnerable to data breaches and cyberattacks. In this seminar, we'll address the basics of cybersecurity, including:

- The ethical duties that lawyers have to keep electronic data secure
- The kind of cybersecurity attacks that lawyers need to be aware of
- How lawyers can I protect themselves and their firms against cybersecurity attacks.
- What lawyers need to do in the event of a data breach
