## Ordering from us is easy.

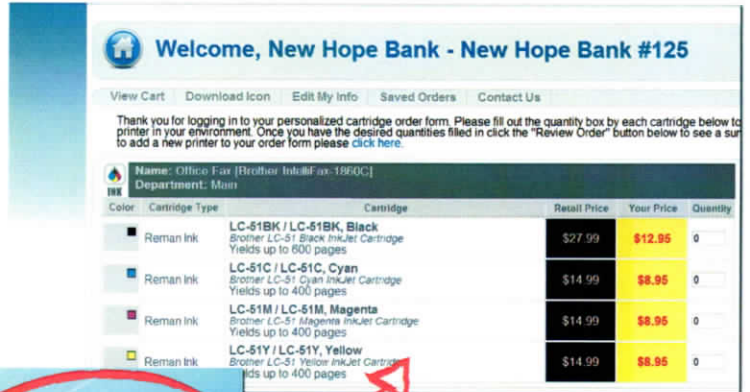

Just give us a list of your printers and we do all the work for you.

We create custom order forms for your business that **ONLY** has the printers and cartridges and departments you have at your office/location. **No more searching through hundreds of products just to find yours.**

## Instant Online Ordering.

What do we mean by instant ordering?

Once your unique order form is created we send you a link to download your desktop icon. **When its time to order just click on the icon.** In seconds, a web browser opens up instantly and logs you in securely to your order form.

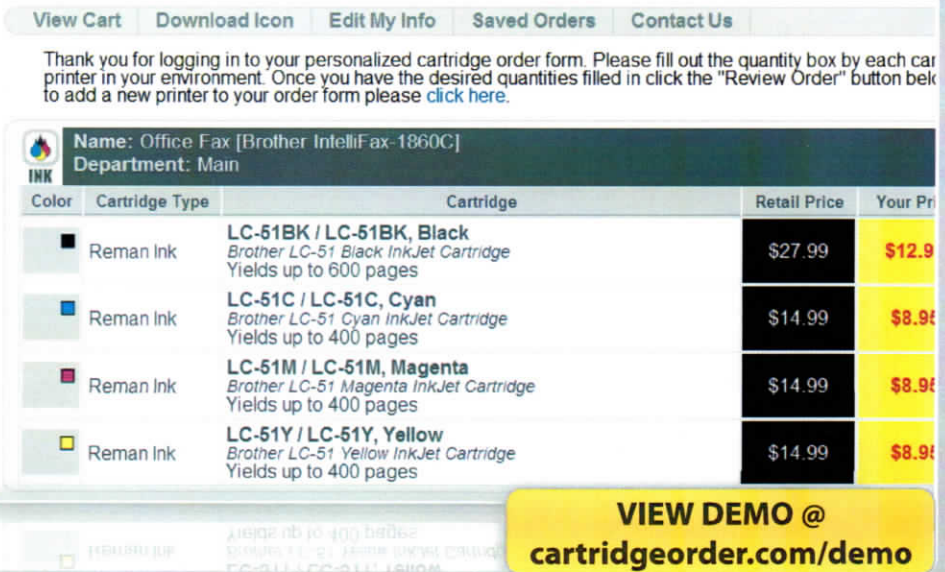

The icon instantly opens your order form. Enter what you need and click "Send". Easy as 1,2,3.

**No website addresses, usernames, passwords or phone numbers to remember. Just instant access to ordering!**

## Customized for you.

Even "nickname" printers so you see "Sue's Printer" or "Networked Color Laser" so when you need to order **its easy to find what you are looking for.**

Color icons right next to each cartridge mean you don't have to remember the long cartridge model number to just order a "yellow" one.
