

The ABC's of ODC

Receiving a letter from ODC saying there's a complaint against you is decidedly unpleasant. Most attorneys don't know what to expect and what to do – or not do – in response. But more than anything, attorneys want to know how to avoid getting a complaint in the first place.

We will cover these topics by discussing how the process works start to finish: types of sanctions and factors at play for imposing them; common types of complaints; and some recent cases and updates. All of these topics will be covered with an eye toward best practices and preventing misconduct.
