Ms. Kim stated that the committee invited Bonnie Huff, a nationally recognized expert on self-help centers, to address forum participants. She stressed the importance of getting the support of all the court administrators in making this a successful project. Ms. Fujimori commented that LASH and VLSH are both giving their support to self-help centers; LASH plans to provide training to pro bono volunteers and VLSH will provide insurance coverage. When asked about the cost of this forum, Ms. Kim gave an estimate of $3500-$5000.

Ms. Wack also stated that the committee worked on obtaining 4 licenses free of charge for the HotDocs program and attended the Equal Justice Conference using their own funds.

d. Committee Reports - Judicial Administration Committee Chair Steven Chow reported that the Committee is working on a survey for Circuit Court judges to complete. e. Review of Judicial Selection Procedures and Policy - no action at this time.

8. NEW BUSINESS

a. Proposed Amendment to Board Policy Manual (see agenda Item 7.a.)

Action taken: A motion was made, seconded, and carried without opposition to adopt the Executive Committee’s recommendation to amend the Board Policy Manual 1.1.B.3. and 1.1.B.5. to remove HSBA’s appointment authority over NHLC.

b. 2011 Budget Process (see agenda Item 7.b. and Exhibits C, D, E) - President Jones stated that Finance and Executive Committees met to discuss the proposed 2011 budgets of other entities and made the following observations:

1) AAP - AAP is not requesting any increase in assessments and that the Finance and Executive Committee had no objections to AAP’s proposed 2011 budget.

2) DB - It appears that DB is not requesting an increase in assessments for 2011. However, their projected reserve is six months of operating expenses, unlike most non-profits that retain a three-month reserve balance. This does not included an anticipated 100% increase in the fees received from LFCP.
3) **LFCP** - LFCP is requesting that assessments be reinstated for 2011. LFCP is proposing to double their payment to DB for investigative and administrative services. The claims being paid out every year are less than the claims being made.

After discussion, the Board agreed that letters would be sent to the Supreme Court indicating that the HSBA opposes any increase in assessments during this recession, noting that DB has not demonstrated to HSBA the need for such a large reserve and that DB and LFCP have not indicated the justification for a 100% increase in administrative fees. No comment will be made on the AAP budget.
