anticipated before year’s end. He also stated that the budget to replace the existing conference room tables was $9k, however, the actual cost will be $12k. The reserves set asides for equipment/furniture will be used to cover the difference.

D. EXECUTIVE DIRECTOR’S REPORT - Executive Director Patricia Mau-Shimizu reported that staff is looking into other venues for the Annual Dinner and also for next year’s Bar Convention due to increasing costs at the Hilton. She also reported that the disaster hotline for Big Island residents affected by the lava flow had sufficient volunteers, but not many calls. It was likely due to residents having time to plan in advance and proactive efforts on the part of the State Insurance Commissioner’s Office to provide assistance.

E. YLD PRESIDENT’S REPORT - YLD President Miriah Holden reported that the YLD recently held its Volunteer Appreciation social at Ground Floor and they are now gearing up for 2015 projects.

F. UNFINISHED BUSINESS

1. Proposed Amendment to Rule 6.1 of the Rules and Regulations of the Lawyers’ Fund for Client Protection: President Young stated that the Executive Committee had discussed the proposed amendment and expressed concern over the need for this amendment, which extends the period for the filing of claims from 2 to 5 years, given the absence of an explanation for the proposed change, the delay in payout of claims by the Lawyers’ Fund, and the seemingly adequate two-year claim period. Board members voiced their unease at the financial situation of the Lawyers’ Fund for Client Protection if the deadline for filing claims is extended and how that extension might affect the malpractice insurance policies of attorneys affected.

Action taken: A motion was made and seconded to inform the Hawaii Supreme Court that due to serious concerns and the uncertainty of the impact the proposed rule amendment to Rule 6.1 may have, the HSBA Board opposes the rule amendment. A further motion was made, seconded, and carried without opposition to amend the motion to request an extension of time to submit comments on the rule amendment, and to further inform the court staff that if an extension of time is not approved, HSBA is inclined to oppose the rule amendment.

G. NEW BUSINESS
