1. **Proposed 2017 HSBA Operating Budget** - Treasurer Mark M. Murakami explained that there was a dramatic decrease in revenue from 2016 to the 2017 projections due to a loss in active membership. There has been no dramatic increase in expenses. He stated that the joint Executive-Finance Committee considered many cost-cutting options and did not recommend making an extra payment on the mortgage in 2017. This will cover the anticipated revenue shortfall. The Board also discussed the credit card fee expense that HSBA is currently absorbing not only for HSBA dues, but also for the Supreme Court entity fees.

   **Action taken:** After discussion, a motion was made, seconded, and carried without opposition to adopt the joint Executive-Finance Committee’s recommendation to approve the proposed 2017 HSBA operating budget.
2. **Family Law Seminar at Bar Convention** - The Board discussed the controversial presentation by one of the speakers in the Family Law seminar at the Bar Convention.
