H. **NEW BUSINESS**

1. **Proposed 2018 HSBA Reserves Budgets** - President Ando explained that the Board will need to decide whether to make a loan prepayment in 2017 because it will affect the 2018 reserves budget.

   Treasurer Holma clarified that the prepayment is an extra payment on the building acquisition loan balance. She gave an overview of the two versions that were proposed on the special reserves.

   **Action taken**: A motion was made, seconded, and carried by a vote of 17 to 1 in favor of version 1 which includes a $50k loan prepayment in 2017.
2. **Proposed 2018 HSBA Operating Budget** - Treasurer Holma stated the proposed 2018 budget is a balanced budget with no increase in HSBA dues. She briefly explained each of the following schedules:

- **Estimated Dues** - HSBA dues will remain the same. Amount of total dues income is conservative in projection because although the bar passage rate is expected to improve, there are less people taking the bar exam. Also, the amount of senior attorneys going inactive is not as high as previously projected.
- **Technology** - Costs for improving better systems keep rising.
- **CLE** - Decline in revenue due to increased competition from local and mainland CLE providers.
- **Payroll** - Decline in payroll due to conversion of a managerial position into a support position.

**Action taken**: A motion was made, seconded, and carried without opposition to adopt the joint Executive-Finance Committee’s recommendation to approve the proposed 2018 HSBA operating.
