1. **Judicial Retention** - Director Steven Chow refreshed the memories of board members on the charge of their subcommittee (Steve, Cecelia Chang, Gerry Hasegawa) on what HSBA could do to offer more information to the Judicial Selection Commission during the judicial retention process.

**Action taken:** A motion was made and seconded for the HSBA Board to take positions on judicial retentions.

Mr. Chow explained HSBA’s current involvement in judicial retention. He stated that after talking with JSC members Jackie Young, James Kawachika, and Ronette Kawakami, the subcommittee was inclined to recommend that the HSBA Board take positions on judicial retention. The subcommittee wanted to get the Board’s approval on this issue before attempting to develop any procedures. He noted that the Board would need to amend its policy if it decided to take positions on judicial retention.
Board members also discussed what it would mean for the Board and staff to be more involved in the judicial retention process and what kind of information the HSBA could provide that would be more helpful for the JSC.

**Action taken:** A motion was made, seconded, and carried without opposition to table the discussion until January 2018 of whether the Board will take positions on the retention of judges. JSC representatives will be asked to address the Board and give more information on the JSC’s process and criteria in judicial retention.
