D. **TREASURER'S REPORT** - Treasurer Paul Naso reported that there have been no significant changes since last month: revenues are down as expected during this COVID-19 situation with no live CLE, but income is expected from the upcoming Bar Convention and Hawaii Professionalism Course. By year end, it is projected that

HSBA will fall short by \$250k in revenue compared to budget. Expenses, not surprisingly, are also below budget. HSBA is anticipated to be \$1M under budget in expenses by the end of the year.

E. **EXECUTIVE DIRECTOR'S REPORT** - Ms. Mau-Shimizu reported on the following items:

- **Virtual Bar Convention** - On schedule; registrations coming in slowly. We are getting more sponsors. Some HSBA Sections and Neighbor Island Bar Associations are subsidizing a portion of their members' registration fee.
- **Bar Exam** - No COVID cases have been reported from the 100+ examinees that took the recent bar exam at the Hawaii Convention Center. Provisional law licenses have been granted to 35 people.

F. **YLD PRESIDENT'S REPORT** - YLD President Addison Bonner reported that the YLD has 2 remaining projects for the year with school students that will be implemented in an electronic remote format.

G. **UNFINISHED BUSINESS** - None.

H. **NEW BUSINESS**

1. **Proposed 2021 Disciplinary Board (DB) Budget:** Treasurer Naso thanked President Frey on how he deftly and graciously handled the budget meetings with the Supreme Court entities. Regarding the DB's budget, he stated that it was a productive meeting with the DB representatives. He made the following observations: a sound 2021 budget with no increase in attorney fees; travel budget was decreased; reserves are being tapped to balance the budget.

In answer to a question regarding its reserves, Treasurer Naso replied that the DB has sufficient reserves to cover their budgeted expenses so as not have to assess fees during the year.

In response to a question regarding unexpected and exorbitant cost of trusteeships, it was noted that the DB could request the Supreme Court to make a special assessment to cover those costs. It was also stated that the DB could also recover costs from the estate of the attorney.

**Action taken:** A motion was made, seconded, and carried without opposition to adopt the recommendation of the joint HSBA Executive-Finance Committee to send a letter to the Hawaii Supreme Court indicating the HSBA's support of the proposed 2021 budget of the Disciplinary Board. Director Vlad Devens recused himself from voting.

Ms. Mau-Shimizu stated that the rule invites various entities to appoint a representative to serve on the Commission. It has the support of the Governor, the Senate President, and the Speaker of the House, among others. It will not cost any money, but if funding is required, it is anticipated that the members of those entities/organizations would be able to generate the support needed to pay for the PACE Commission's projects and activities.
