Leadership

The practice of law is unique in Hawaii with its melting pot of cultures and rich history. The HSBA Leadership Institute is designed to foster professional growth and enhance leadership skills of future leaders from all areas of practice in the Bar.

Who Is Eligible? Any active HSBA attorney who is in good standing, has practiced for 3-15 years and can commit to attend all sessions of the program. The selection process is competitive, based on resume submissions and responses to the application. Class size is limited to a maximum of 15 participants.

How Does It Work? The HSBA Leadership Institute is an 8-month program with one program session each month. Dates and times are noted on the candidate agreement page. Each session is facilitated by bar leaders and will feature prominent leaders of the legal profession and the greater community.

What Is The Cost? To create a meaningful and effective program, a fee of \$250 payable to HSBA is due upon acceptance into the program to help defray expenses. Neighbor Island attorneys accepted into the program will be reimbursed for air and ground transportation travel expenses for each program session. Tuition assistance is also available upon request.

Why Should I Apply? The goal of the HSBA Leadership Institute program is to develop emerging leaders for the legal community and the HSBA; expose qualified lawyers to different aspects of the legal profession; build long lasting relationships; and help participants gain skills to become better lawyers and leaders. Committing to the program will benefit participants personally and professionally and prepare them for leadership opportunities and challenges.
