Lawyer Referral & Information Services

## About Us

For over 4 decades, the LRIS program has assisted HSBA members to build and maintain their practice client base, and the public seeking legal representation or information.

## Over 800 Inquiries

Each month the LRIS Staff responds to over 800 inquiries by phone, email, and mail correspondence. While 500 of those contacting the LRIS are referred to LRIS panel members; the LRIS Staff works to manage the other 300 inquiries by responding to each communication left requesting assistance.

## Categories of Law

HSBA members who join may select from 14 major categories of law as well as over 75 sub-categories.

## Attorney Testimonials

"The Lawyer Referral & Information Service is a wonderful program that gets people in touch with the right Lawyer. Our firm receives several calls per week from potential clients. It's a great referral program that I have been using for over 20 years." **Shawn Luiz**

"Since becoming a member of the Hawaii Bar, I have been a long term participating member of the HSBA Lawyer Referral Service. The HSBA referral service has been a regular source of referrals over the duration of my practice...The HSBA referral service helps the public in obtaining appropriate legal counsel and assists persons who are able to pay normal attorney fees but whose ability to locate appropriate legal representation is frustrated by a lack of experience with the legal system, a lack of information about the type of service needed, or a fear of the potential costs of seeing a lawyer.

**Carmen Diamore-Siah**

The LRIS is accessible to anyone with phone access. It is extremely useful to the public and HSBA members as it helps direct people in a timely, appropriate and professional manner.

Numerous times throughout each week I give out the number to LRIS and my practice gets a great deal of referrals. It is likely my most important membership benefit. Thus, thank you for all the work you do for HSBA members such as myself." **David Brustein**
