

## Lawyer Referral and Information Service

Bar Sponsored for over 42 years!

**Join fellow Bar members who use the Lawyer Referral and Info Service (LRIS) as a reliable source for new business!**

The Lawyer Referral & Information Service receives over 1300 calls and inquiries a month. Potential clients are referred to the LRIS through the internet, courts, bar association events, friends & family, fellow bar members, print telephone directories, state and federal government agencies as well as social services organizations. During the intake and screening process if it is determined that referrals to panel members are appropriate, clients are informed that LRIS Panel members will charge for service. Though the normal LRIS Fiscal year runs from July 1st, - June 30th; Bar members may join at any time and receive 12 months of referrals. The LRIS joins a nationwide network of approved ABA LRIS Programs, which assists lawyers in promoting their business as well as assist the public in locating quality representation.
