Why Choose HSBA's Lawyer Referral & Information Service?

➤ Increase Clientele

Lawyers who participate in the Lawyer Referral Service will receive their customary fee for the service they provide to the client. The lawyer also has the opportunity to develop an ongoing relationship with the new client, which helps lead to new business and practice expansion.

➤ Unbeatable Price

Some attorneys spend thousands of dollars to join referral programs tied to television and radio advertising or yellow page ads, so the small investment of time and money required to join the Lawyer Referral Service is small in comparison. You join for a nominal annual fee of \$325.00 plus \$10 processing fee, the referral costs you nothing and the clients pay you for your work.

➤ Guaranteed Return on Your Investment!

A recent survey of our members indicate that there is a return on their investment with the enrollment to the Lawyer Referral Service. While the rate of return varies, the return more than covers the cost of what you would pay in belonging to our service.

➤ Accessible on the World Wide Web

Our lawyer referral service is now available on the world wide web. People can log onto our website at <http://hawaiilawyerreferral.com> to obtain info about the service.

➤ Over 40 years experience!

Hawaii Lawyer Referral & Information Service has been serving Hawaii's people since 1975 and is sponsored by the Hawaii State Bar Association. The service joins a network of Lawyer Referral Programs throughout the nation approved by the American Bar Association.
