### ***Please note the following:***

*The LRIS is an option the public may choose to use when trying to locate attorneys for assistance with legal issues.*

*The LRIS does not 'list' all the attorneys licensed to practice in the State of Hawaii; only those bar members who decide to become panel members are enrolled. The participating LRIS attorneys are in private practice and will charge for services provided and determine the cases they will take.*

***The only Lawyer Referral Service sponsored by the Hawaii State Bar***

***Serving Hawaii for over 44 years!***
